Third robbery suspect turns himself in

<http://www.newsobserver.com/2011/07/31/1380183/third-clayton-suspect-turns-himself.html>

CLAYTON -- A third suspect in the armed robbery early Thursday of a Walgreens pharmacy in Clayton has turned himself in to Clayton police.

Ishmael Avire Santiago, 20, of 549 Holding St. in Clayton, went to the police department Friday night, according to a department news release. He was **charged with one felony count each of armed robbery; conspiracy to commit armed robbery; and kidnapping.**

On Saturday, he was being held in the Johnston County jail in lieu of \$1 million bail, as was another suspect in the case, his cousin, **Rahiem Santiago**, who was charged earlier **along with an unnamed 15-year-old.**

Police say they robbed the Walgreens at 11306 U.S. 70 W. at Robertson Street, and that **one of the suspects hit a clerk with the butt of a rifle and made her open the cash register.**

Driver Arrested For DWI After Leaving Church Parking Lot

<http://www.wtsbradio.com/pages/localnews.html>

A Selma man was arrested Tuesday morning for reportedly driving under the influence. Police received a tip about a motorist leaving a church parking lot. When they stopped the driver on East Lizzie Street around 2:35am, officers said they immediately smelled alcohol on the driver.

Diego Martinez Molina, 30, of Wood Street, was charged with DWI and driving without a license. Reports indicate Molina registered 0.15 on the Breathalyzer, nearly double the legal limit of 0.08. Police did not have any information as to why the suspect was allegedly in the church parking lot at such an early hour. Molina was released on a \$2,000 bond pending a September 22 court appearance.

Smithfield Police Make DWI Arrests

<http://www.wtsbradio.com/pages/localnews.html>

At 2:18am, officers stopped a vehicle on Packing Plant Road. The driver, identified as 27 year-old **Diego De Dios Justo** of Morehead Drive, Willow Spring, was **arrested for driving while impaired and driving on a revoked license**. Lt. Powell said Justo blew a 0.12 on the Breathalyzer. He was released from the Johnston County Jail on a \$2,000 bond.

Around 2:47am, a police officer stopped a vehicle in the 1700 block of East Market Street. **Alan Alfredo Rodriguez**, 23, of US70 East, Selma was **arrested for driving while impaired**. Rodriguez refused to take a Breathalyzer exam, Lt. Powell told WTSB. Rodriguez was released on a \$2,000 bond pending an appearance in District Court.

2,601 Marijuana Plants Valued At \$5.2 Million Seized

<http://www.wtsbradio.com/pages/localnews.html>

The Johnston County Sheriff's Office seized \$5.2 million worth of marijuana plants found growing in a remote area in eastern Johnston County on Thursday. Agents said the 1.5-acre growing operation was concealed in a wooded area nearly a mile off Brogden Road, 8 miles east of Smithfield. A total of 2,601 plants were seized. The area was so remote it could only be accessed by all terrain vehicles. More marijuana and firearms were seized from the suspects residence, authorities said.

Two people have been arrested and narcotic officers are searching for two other suspects. **Maria Cortez Flores**, 28, and **Juan Manuel Soto**, 31, both of 308 Deer Drive, Smithfield were arrested at the scene. Sheriff Steve Bizzell said **Flores was in the US illegally and Immigration and Custom Enforcement officials have a detainer placed on her**. Flores reportedly is the mother of 5 children, including 4 boys ages 2, 4, 6, and 10 that were at the rural home on Thursday. They were placed into the custody of the Johnston County Department of Social Services.

Sheriff Bizzell said deputies uncovered paperwork in the home where ***Flores was receiving \$2,400 per month in benefits from the Department of Social Services, even though she was in the United States illegally.***

Flores was on WTSB News last week following her arrest for allegedly using her 8 year-old daughter to aid her in shoplifting from a Smithfield Food Lion.

The second suspect arrested, Juan Soto was a violent fugitive from California. Narcotics Captain A.C. Fish said Soto, a known gang member, was wanted by California authorities for violating his parole. Both Soto and Flores are in jail under a \$1 million bond facing marijuana trafficking charges.

Captain Fish **said warrants have been obtained for two other suspects: Eliseo Jardin and Javier Guillen Vasquez, both of Deer Drive, Smithfield. Once located, they also will be charged with marijuana trafficking.** Authorities believe Flores' 8 year-old daughter may be with Jardin.

Agents said the suspects allegedly had cleared out a wooded area for the large marijuana growing operation and watered the plants with a long garden hose stretching back to their home. The plants were discovered Thursday during a marijuana eradication program with the assistance of a NC Highway Patrol helicopter and the NC SBI.

Men accused of stealing Cumberland sheriff's bait car

http://www.wral.com/news/news_briefs/story/10022406/

FAYETTEVILLE, N.C. — Two Fayetteville men are accused of stealing a Cumberland County Sheriff's Office bait car.

Authorities said Friday that **Jose Antonio Rivera Reyes**, 50, of 5105 Higgins St., and Christopher Bill Ostolaza, 26, of 5007 Higgins St., took the car from a rural road in Cumberland County on Wednesday. They also took a GPS and a mobile phone from the car.

The men were identified from surveillance video from inside the bait car, investigators said.

Reyes is charged with misdemeanor larceny of goods, misdemeanor possession of stolen goods, felony larceny of a motor vehicle, felony possession of a stolen motor vehicle and conspiracy.

Reyes and Ostolaza were being held under \$11,000 and \$10,000 bonds respectively in the Cumberland County Detention Center on Friday.

Reyes is a fugitive from Michigan on felony charges of possession of cocaine, the sheriff's office said. He recently served time in North Carolina for identity theft, according to North Carolina Department of Correction records.

Ostolaza is on probation for larceny.

\$850,000 worth of marijuana found in Kannapolis house

<http://www.salisburypost.com/Crime/080411-cops-kann-drug-bust-qcd#.Tjp6-cpHhmY.facebook>

KANNAPOLIS — Authorities have charged two men after finding \$850,000 worth of marijuana in a house on Juniper Street.

During an investigation by the Kannapolis Police Department's Vice and Narcotics Unit, detectives determined that a home at 814 S. Juniper St. was being used to house a marijuana growing operation, a press release said.

When police went there, they encountered **Orlando Rojas Jr.** and Brian Edward Potts, who both live at the house. The men told police they couldn't come inside "and attempted to destroy the evidence," the press release said. But detectives forces their way inside and found a large hydroponic growing operation which contained about 140 pounds of marijuana.

Wednesday afternoon, detectives were still processing evidence and weighing more drugs found at the home, the press release said.

Rojas and Potts were each **charged with two counts of trafficking in marijuana, manufacturing marijuana and maintaining a dwelling for a controlled substance, all felonies, and possession of drug paraphernalia, a misdemeanor.**

Both men were in the Cabarrus County jail Wednesday evening under \$500,000 bond apiece.

Police said another person with ties to the Juniper Street house will also be charged.

Home Invasion by Hispanic Coworkers in Selma

http://www.wral.com/news/news_briefs/story/9969571/

SELMA, N.C. — Seven people were bound with duct tape and plastic ties and robbed inside a Selma home this weekend by several masked intruders, police said Monday. At least one of the intruders was armed with a handgun and one resident was hospitalized with non-life-threatening injuries.

A shotgun, several pieces of jewelry, two cell phones and more than \$15,500 in cash were taken from the home, police said.

Around 3:15 a.m. Saturday, a couple in a white cargo van flagged down a patrol officer near the intersection of West Noble and South Pollock streets to report a break-in at their home on North Massey Street. **Pascual Martinez, 61, had duct tape around his wrists and his wife, Angelita Martinez, 56, told the officer that she had been beaten in the face with a spray paint can.**

The officer followed the couple back to their home, where they found 20-year-old Elizar Hernandez bleeding from the head.

Hernandez told police he had been tied up in the dining room of the home and beaten in the head with a semi-automatic handgun by intruders wearing all black clothes and ski masks covering everything but their eyes and mouths.

Blood was found on the floor of the hall, bathroom and Hernandez's bed, police said.

Responding officers also found another man bound in a back bedroom. That man reported that a person dressed in all black with a thin build entered through a bedroom window, let three or four other intruders in through the back door and then stepped on his face while wrapping duct tape around his hands and mouth.

Three more men were found bound in a back bedroom.

Investigators believe that some of the men were co-workers whom Pascual Martinez allowed to stay at the home he shared with his wife.

Pair charged in Fuquay-Varina teen's stabbing death

<http://www.wral.com/news/local/story/9964854/>

PITTSBORO, N.C. — Two Apex men were charged Sunday in connection with the stabbing death of a 15-year-old Fuquay-Varina girl whose body was found in Jordan Lake early Saturday morning, the Chatham County Sheriff's Office said.

Gabriel Alejandro Maricio Lopez, 20, of 600 Church St., and **Alejanero Prada Sanchez**, 19, of 307 Linwood St., apartment 23, **both face charges of first-degree murder**. Investigators believe that Lopez stabbed Patricia Perez to death after an argument at Jordan Lake and that Sanchez was present for the murder.

Perez and Lopez were dating, authorities said.

Lopez and Sanchez were being held in the Chatham County jail without bond. They are due in court Tuesday.

Fishermen found Perez's body face-down near a fishing ramp off Farrington Road about one mile north of U.S. Highway 64 around 1 a.m.

Family members told authorities that the teen had been missing for about 48 hours and that her mother filed a missing persons report with the Wake County Sheriff's Office on Friday evening.

Wake County deputies assisted Chatham County authorities with the investigation.

13 Charged In Major Drug Bust

<http://www.wtsbradio.com/pages/localnews.html>

A five-month, multi-agency investigation has **netted 13 alleged drug dealers, seizing more than \$1.2 million in cocaine, \$19,000 in cash and has brought down a cocaine cartel that involves a double murder suspect** and a former Benson town commissioner.

Officials from the Harnett County Sheriff's Office released information Monday surrounding the major cocaine seizure, which totaled more than 6,000 grams, and announced that a drug trafficking network in all three counties had been shut down.

The 13 arrested, each charged with at least one count of trafficking or conspiracy to traffic cocaine, include:

- **Carlos Villa Baltazar**, 24, of Skyline Drive, Angier, placed under a \$80,000 secured bond;
- **Sixto Villa Baltazar**, 43, of N.C. 50, Benson, placed under a \$300,000 secured bond;
- former Benson Commissioner Maynard Scott Barnes, 48, of West Main Street, Benson, placed under a \$1 million secured bond;
- **Ashley Josette Barreto**, 20, of Angier, released on a \$10,000 unsecured bond;
- Kimberly Ann Brown, 40, of Coats, released on a \$10,000 unsecured bond;
- Karlee Avontia Dublin, 36, of Bunn Road, Kenly, placed under a \$500,000 secured bond;
- Anthony Leon Ellis, 35, of Montgomery Heights Road, Selma, placed under a \$3 million secured bond;
- Rita Guadoso Harrington, 46, of Benson-Hardee Road, Benson, placed under a \$500,000 secured bond;
- double murder suspect **Venustiano Mondragon Lucas**, 34, of Monk Drive, Raleigh, placed under a \$10 million secured bond;
- **Jorge Ivan Medina**, 41, of Piney Grove Road, Angier, placed under a \$80,000 secured bond;
- Donald Fitzgerald Strickland, 45, of McLamb Road, Dunn, placed under a \$500,000 secured bond;
- Willie Lee Strickland Jr., 42, of Deanne Lane, Coats, placed under a \$10 million secured bond; and
- **José Carlos Uriostegui**, 22, of Buffalo Road, Clayton, placed under a \$3 million secured bond.

Scott Barnes, who owns and operates Barnes Lube Express on Wall Street in Benson and Venustiano Lucas are no strangers to crime. Mr. Barnes, a former councilman, was arrested in July 2002 on charges of embezzling \$144,000 as a loan officer at First Citizens Bank in Benson.

Mr. Lucas has been transferred to the Wake County Jail where he faces first-degree murder charges in the deaths of Agustin Yoni Gonzalez and Roger Trujillo Perez, who were found dead June 24 near N.C. 42 in Willow Spring. He has been charged with 13 total counts of trafficking cocaine and six counts of conspiring to traffic cocaine during this latest drug bust. José Uriostegui faces a total of five counts of trafficking and four counts of conspiring to traffic cocaine.

Additional charges for the aforementioned drug suspects include Carlos Baltazar, who faces one count of possession with intent to sell and deliver cocaine and resist, delay and obstruction; and Sixto Baltazar, Rita Harrington, Jorge Medina and Anthony Ellis, each facing one additional count of trafficking cocaine.

Cocaine, Cash Seized During Traffic Stop

<http://www.wtsbradio.com/pages/localnews.html>

Cocaine with a reported street value of \$4,300 along with \$1,852 in cash were reportedly seized from a BMW stopped by a Johnston County SAFE Team deputy for a license plate violation Friday on Highway 222 near Crocker's Nub Road. The driver, **Eliseo Hernandez Diego**, 58, of Riverdale Road, Clayton **was charged with three counts of trafficking in cocaine**. Diego was confined in the Johnston County Jail under a \$120,000 secured

<http://www.wtsbradio.com/pages/localnews.html>

A Four Oaks man is facing child abuse charges after Smithfield Police said he was driving drunk with an 11 year-old in his vehicle. **Filiberto Tomas Perez**, 40, Peach Orchard Road was stopped on South Brightleaf Boulevard at 10:12pm on Sunday for reportedly operating his 1989 Toyota without any headlights.

Lt. Keith Powell said Perez blew a .12 on the Breathalyzer, which is higher than the legal limit of 0.08 in NC. **Perez was charged with DWI, child abuse, and failing to wear a seat belt.** He was released on a \$3,500 bond pending a September 13 court date.

Man charged with breaking and entering, rape in Orange County

<http://www.thetimesnews.com/news/charged-47359-county-orange.html>

HILLSBOROUGH -- The Orange County Sheriff's Office charged a Durham man with one count of felony breaking and entering and one count second-degree rape.

The sheriff's office got a call about 9:14 a.m. Monday about domestic violence at a residence off Mt. Herman Church Road. When the deputies arrived, **through an interpreter**, a woman told them that she had been sexually assaulted.

She had taken her children to school, and the man, whom she knew, according to Archie Daniel of the Orange County Sheriff's Office, followed her home from the school, then forced his way into her home and raped her.

Investigators Tina Painter and Dawn Hunter went to the residence and spoke to the woman and decided to have her transported to UNC Hospitals. At the hospital, she provided more information about where the deputies might find the suspect.

Orange County contacted the Durham Police Department, and Durham officers located the man at 311 S. LaSalle St., and took him into custody.

The Orange County Sheriff's Office **charged Mynor Fuentes, 31, of 311 LaSalle St., Durham, with one count of felony breaking and entering and one count of second-degree rape.**

Durham police also charged him on old warrants with two counts of assault on a female from 2005 and 2006, Painter said.

The woman had taken out a protection order on Fuentes in June 2011, but it was never served on him because law enforcement officials could not find him, Painter said.

At a first appearance hearing Tuesday afternoon, District Court Judge Beverly Scarlett set his bond at \$300,000 cash or secured bond.

Assistant District Attorney James Rainsford argued **that Fuentes has used aliases and been charged with criminal offenses under those names, and he has a history of failing to appear in court and violence against women.**

Assistant Public Defender Julian Mack said that under Resident Superior Court Judge Carl Fox's guidelines, his bond should be set between \$60,000 and \$70,000.

Upon examining the records, Scarlett found **that four names were associated with Fuentes' fingerprints, meaning he had used four different names in the past when charged with crimes.**

Because of his failure to appear in court, his use of aliases and his criminal history, Scarlett said she was going outside of Fox's guidelines in setting the bond.

Illegal Alien Driver Kills Motorcyclist

<http://abclocal.go.com/wtvd/story?section=news%2Flocal&id=8303290>

FRANKLIN COUNTY (WTVD) -- A motorcyclist was killed Friday morning after his Harley Davidson collided with a car.

The accident happened around 5 a.m. on US 401 in Franklin County, just south of Louisburg.

Authorities say 51-year-old Philip Munson of Louisburg was traveling northbound on US 401, when a driver of a 1993 Infinity travelling southbound attempted to pass a vehicle on a double yellow center line and collided head on with Munson.

Munson was pronounced dead at the scene.

The driver of the Infinity, 20-year-old **Jorge Luis Labra** of Louisburg, was extricated from his vehicle and transported by helicopter to WakeMed Hospital in Raleigh with non-life threatening injuries.

Labra is charged with driving while impaired, driving with no operational license and improper passing.

The north and southbound lanes of US 401 had to be closed between US 98 and Tarboro Road as authorities cleared the scene.

Deputies bust heroin, cocaine drug ring

SALISBURY — A Salisbury man was arrested and another is on the run after deputies seized 3 kilograms of cocaine, 1 kilogram of heroin and \$139,000 in cash from a Salisbury residence on July 26.

According to the Rowan County Sheriff's Office, **Joel Alejandro Santibanez** was given a \$1,000,000 bond after deputies raided his home at 285 Cauble Stout Circle.

Detectives are also searching for **Juan Antonio Molina**, 30, who lives at 12455 Old Beatty Ford Road. Molina is believed to have fled the state, a press release stated.

According to the release, the Special Investigations Unit began investigating a tip about suspicious activity at the Old Beatty Ford Road home in March.

The tip notified deputies that Hispanic subjects were possibly involved in illegal drug activity.

The report said deputies contacted the State Bureau of Investigation and the Immigration and Customs Enforcement agency.

The report said other residences and suspects became known during the course of the investigation, including Salisbury residences at 220 Patriot Circle, 620 W. Franklin St. and 220 Chesapeake Drive. Deputies reported that 360 Mt. Hall Road, Cleveland, was also involved in the investigation.

According to the report, the group has been identified as one of the major suppliers of cocaine and heroin in and around Rowan County.

Santibanez was charged with felony trafficking in cocaine, felony trafficking in heroin and two counts of felony possession of heroin.

He was placed under a \$1,000,000 bond.

Investigators have also obtained warrants for Molina. He is wanted for felony trafficking in cocaine and felony trafficking in heroin.

Man facing charge involving 15-year-old girl now in custody of immigration officials

<http://www.salisburypost.com/News/081111-court-Rene-Perez-ICE-custody-indecent-liberties-qcd>

SALISBURY — A Kannapolis man charged last week with touching a 15-year-old girl inappropriately while at Ramba Tropicana in Landis is now in the custody of U.S. Immigration and Customs Enforcement (ICE) officials.

Rene Vasquez Perez, 31, of 1331 Sloop Ave., was **charged Aug. 2 with indecent liberties by the Rowan County Sheriff's Office and placed in the county jail.**

Perez was scheduled to be present in district court Wednesday morning.

Assistant District Attorney Jennifer Suneson told Judge Kevin Eddinger that Perez was in ICE custody.

Sheriff's Officials confirmed Wednesday afternoon Perez was picked up by immigration officials.

Rowan County Sheriff's deputies responded to a disturbance at the club, located at 1104 S. Chapel St., Landis, about 1:15 a.m. on July 31 after a 15-year-old girl said Perez touched her inappropriately.

China Grove Police detained Perez after the incident because he grabbed the girl at the club, causing an uproar.

Hispanic and Black gangs fighting in Kinston

<http://www.kinston.com/news/began-75671-swinging-handguns.html>

The little girl formed fists with both her hands and began swinging at herself.

“He punched my uncle like this,” she said, knocking her self in the face Monday afternoon outside her family's double-wide trailer on Water Chestnut Drive in northern Lenoir County.

While the jabs were pretend, the blow dealt to her uncle — 28-year-old **Miguel Sandobal** — Sunday around 10 a.m. was not.

Along with the shots to his face, there was also **gunfire as two reported gangs took to the streets of the mobile home park at the end of Daly Waldrop Road off U.S. 258 armed with baseball bats and handguns when neighbors said the “aftereffects” of a brawl between the two groups hours earlier reached its boiling point.**

Lenoir County Sheriff's Office Maj. Chris Hill said his department has yet to make an arrest for the rash of gang violence that took place over a span of nine hours. However, the LCSO has assigned its new Community Crime Reduction Team — organized this month — to restore some security in the residential community where the relationship between neighbors is told by a black sign posted on every home.

The sign reads —in all capital letters — “Private property, no trespassing.”

Late night brawl

The fighting started Sunday around 4 a.m. when a group of Hispanic males walking around the trailer park with baseball bats and “antagonizing the people of the trailer park by yelling out racial slurs” beat up two black men in the mobile home park, said 55-year-old Arnold Kandakai.

According to an LCSO incident report, shortly after another female resident on Water Chestnut Drive saw the group walk by their homes, she observed a black Toyota sedan ride by with two black males in it — one with a light skin tone and the other with a darker complexion.

Kandakai and the female resident suspected the violence to be gang-related.

The violence did not resurface until around 10 a.m. when **deputies investigated a 911 call of a Hispanic male with a baseball bat and two black males with handguns.**

Upon arrival, Sandobal told deputies two black males shot at him. Neighbors confirmed the report.

Investigators found one spent 9mm shell casing along Water Chestnut Drive.

Detectives took photographs of the neighborhood and sealed the slug in a plastic bag as evidence.

At 1:35 p.m., deputies returned to Water Chestnut Drive when shots rang out from a home three houses down from Sandobal's home.

Parked outside the residence was a dark gray 2011 Nisan Altima with two black males who matched the description of the two men seen earlier riding through the neighborhood inside.

Kandakai said the group of Hispanic men lived on Hickory Hill Road by the intersection of Water Chestnut Drive, but could not confirm where the black males lived.

He said, however, he does not feel sure the fighting would stop.

“It’s a passing thing,” Kandakai told The Free Press Monday, barbecuing outside his home. “It’s not something (that) happens on this block too often.”

Granville County man pleads guilty to child sex charges

http://www.wral.com/news/local/wral_investigates/story/10029410/

OXFORD, N.C. — A Granville County man who was supposed to go to trial Monday was **sentenced to 16 to 20 years in prison after pleading guilty to statutory rape and indecent liberties charges involving two girls.**

Marcello Lara III, 39, was facing nine charges in connection with the crimes, which happened between 2005 and 2009.

Granville County Assistant District Attorney Cindy Bostic said in court Monday that he confessed to having sex multiple times with a 13-year-old victim from 2007 to 2009. He also confessed to victimizing an 11-year-old girl in October 2005.

Search warrant affidavits in the case allege that both Lara and his estranged wife, Marie Lara, 27, were involved in sex acts with the two girls and also took photos and videos of them.

Investigators found hundreds of pornographic images on Marcello Lara's computer, none of which were of the two girls, Bostic said.

Granville County sheriff's investigators initially investigated the claims of one of the girls in 2006 and the State Bureau of Investigation reopened the case last year when the second victim went to authorities.

"I always was told I wanted it to happen or that I was a liar," one of the victims said in a statement read in court. "There's always going to be a place in my heart where I believe it's all my fault."

Marcello Lara also faces charges in Orange County. He is expected to go to trial there next month.

Suspect is stealing checks from mailboxes, cashing them.

<http://www2.hickoryrecord.com/news/2011/aug/22/police-name-suspect-mailbox-break-ins-thefts-ar-1322546/>

HICKORY -- Police believe they know who is behind a rash of mailbox break-ins that have left multiple business owners frustrated.

Warrants have been issued for **Michael Vang for five counts for obtaining property by false pretense**. Vang, 26, has been caught on surveillance video passing checks belonging to someone else, according to Hickory police.

“In at least seven cases, he and or a co-defendant cashed them,” said Maj. Clyde Deal with the Hickory Police Department. “One was a gas station, two were grocery stores, some were at the Walmart in Conover.”

Vang and at least one other suspect, a female, have been hitting cluster mailboxes at area businesses in Catawba and surrounding counties, authorities said. They’ll pry open the back of the mailboxes and take the mail out of the boxes, looking for checks.

Hickory police is working 14 cases of cluster mailboxes that have been broken into, with several dozen victims. Checks were stolen from each mailbox.

Deal said at least seven checks have been cashed, but only two or three have been from Hickory. The Hickory Police Department is working with other area agencies to track down Vang and the other suspect. Deal said police know who the other suspect is but don’t want to release that information yet.

“They are cashing checks in other counties and are breaking into mailboxes in at least two, maybe three, other counties,” Deal said.

He said police have recovered some of the stolen checks.

The person police believe is behind the thefts is not new to law enforcement. Vang was arrested by Hickory police in January for felony assault inflicting serious bodily injury. His next court date is Sept. 6.

Illegal immigration is killing NC school budgets

<http://troylaplante.hubpages.com/hub/Illegal-immigration-is-killing-school-budgets>

NC schools suffering from cost of illegal immigration

At the risk of sounding like Mel Gibson after a night of drinking, I did want to bring to the forefront something that is pretty much already there. I am not getting on the bandwagon on this topic, but have been blowing this trumpet for almost two decades now. When school bonds are reaching \$1 billion in a neighboring county and Johnston County Schools are looking for more money and space, I wonder why. I have read figures that

estimate that as much as 52% of our school's increase in population is because of illegal immigration. Just within the last week, I read news reports that Johnston County Schools have increased enrollment by about 1500 students this year. 52%, folks. Some statistics show that illegal immigrants cost the U.S. Government \$2700 more in services than they pay in taxes. That does not account for the local costs of schooling, medical care, law enforcement, accommodations of foreign languages, prison populations, court costs, and various public assistance programs.

Roughly 60% of Selma's residents are property renters. The remaining 40% of us, in reality, shoulder the burden of responsibility for the services used. Many of these renters are in fact illegal immigrants. I need only to sit on my front porch steps or visit Wal-Mart on Sunday to realize this.

If the federal government is going to continue to abrogate their responsibilities in regards to securing our borders for the sake of national security and immigration control, then it is unfortunately left to our local governments. The State of North Carolina has not "stepped up to the plate" so it is unfortunately left up to the local counties and towns to take care of the issue.

Visit the emergency room at the local hospital, the county health department, and read the police report in this paper. Tell me that we are not paying for these services as taxpayers. Tell me that it is appropriate that we should continue to pay for free medical care, education, food stamps, welfare, and coming soon to an alien near you, Social Security benefits for those who flaunt the law to enter this nation. We should not tolerate this as taxpayers any longer.

One town, Hazleton, Pennsylvania, realizes the drain on their finances, not to mention the moral consequences of allowing illegal immigration. Hazleton started denying business permits to companies that hire illegal aliens, fining landlords who rent to illegal aliens, and made English the official language of the town.

The Town of Selma has passed measures that help curb the hemorrhaging of money because of non-paying utility customers. If we started requiring proof of legal status of immigration for utility customers and business owners, that would help cut that problem down. Forget what the State says about how we should run our town in that regard. They don't pay our bills, hire our employees, or run our utility. Let's have the courage to do what is right rather than what is required.

If the federal government is going to continue to abrogate their Constitutional responsibility, it becomes our responsibility by default to do something at the local level, even if it is not pleasant or seems hateful.

I do not comprehend why any government official would not want to take action against the continuing waves of illegal aliens draining our resources. When our towns and our schools are feeling the crunch, it is time to have the guts to do something about the problem. I applaud the town leaders in Hazleton, Pennsylvania. They had the fortitude to stand up and refuse to take the burden any longer, which is the morally and fiscally responsible thing to do.

I can only hope that leaders in Selma and across the nation will have the spine necessary to deal with this issue. It is not an easy thing to do, is not popular with some groups, but it is the right thing to do, in my opinion. By the way, my position on this has absolutely nothing to do with race or culture. It has everything to do with the rule of law, financial responsibility, ethics, and fairness. Period. My opinion is my own and does not necessarily represent that of the staff or management of this newspaper, though it probably should.
